

VM&P Naphtha VM-100

Fast Evaporating Solvent

Description:

VM&P Naphtha is a fast evaporating, flammable solvent. It effectively thins most oil based paints, stains and varnishes. Its low odor and high solvent power make it ideal for cleaning brushes, rollers and equipment immediately after use.

Product Advantages:

- Fast evaporating
- Low odor
- High solvent contain
- Effective thinner

Use:

To thin oil based coatings, traffic paints, automotive, industrial and marine coatings.

Storage Information:

Consult the appropriate Safety Data Sheet for safety and handling guidelines for this product.

Product Data:

Weight/Gallon:	6.33 ± 0.05 lbs. (2.87 ± 0.02 kg.)
Sizes:	55 gallons 5 gallons 1 gallon
Viscosity:	0.6 cP Liquid
Distillation Range:	235-295 °F
Flash Point:	50°F T.C.C.

Notice: The technical data contained herein are true and accurate to the best of our knowledge. Published technical data and instructions are subject to change without prior notice.

S.D.S.: Available upon request.

Warning!:

Prior to use refer to S.D.S. For safety data and summary of HMIS rating code. For S.D.S. Sheet, please visit www.lancopaints.com.

Hazard Statement:
