Lanco® is dedicated to offer colors at the cutting edge of design with the highest quality standards in the market.

To ensure the quality of the content within this color card, our team includes interior designers.

All schemes and colors were selected by Frances Rivera Battle CODDI, Interior Designer.
Since all color chips are affected by age, light, heat and mechanical coating processes, the chips on this card may vary slightly in color or finish from actual paint in the container. Depending on clarity and depth of color, some colors may require multiple coats.
